“We were able to purchase hand lanterns thanks to the Kelmann Cares Foundation grant. This is a benefit to our department, as the safety of our personnel is huge priority. These hand lanterns will be a big part of improving our safety, and help us better serve the citizens and visitors of the Village of Waukesha.”

ANDREW STOLLDORFT, ASSISTANT FIRE CHIEF/FIRE INSPECTOR
VILLAGE OF WAUKESHA FIRE DEPARTMENT

“Since 2019, Kelmann Cares Foundation has partnered with Easterseals Southeast Wisconsin to support services for people and families with disabilities through special events, generous financial donations, and countless volunteer hours on repairs at our facilities. We are grateful for their unwavering support and could not do the work we do without them.”
